Scrip Code – MUKANDLTD

Dear Madam,

This is with reference to your aforementioned e-mail to us wherein you have requested us to provide certain information in response to the queries raised. Towards the same, please see below our itemized response:

1. It has been noted from SEBI Action Taken Report (ATR) database that action has been initiated and/or taken against Rahul Bajaj, Rajesh V. Shah(HUF), Naresh Chandra Sharma, Suman Jain, Jamnalal Sons Pvt. Ltd.; Name of Rahul Bajaj features in the Prosecution list; Name of Mukand Engineers Ltd features in the Scores database; Name of Suman Jain and Naresh Chandra Sharma features in the RBI data of wilful defaulters (refer attachment).

You are advised to clarify if the aforementioned person appearing as part of Mukand Limited and, involved in the scheme are the same and if any action has been taken against them. If yes, you are further advised to inform on the current status of the aforementioned action initiated.

Reply:

- 1.1. Mr. Rahul Bajaj (son of Late Shri Kamalnayan Bajaj) holding PAN AABPB4242J one of the promoters of Mukand Ltd. is not the same person as Mr. Rahul Bajaj referred to in the Action Taken Report of SEBI and Prosecution List in the case relating to Amaraja Batteries Ltd. This is clear from the case papers of Amaraja Batteries Ltd. where he is clearly mentioned as son of Mr. Harinarayan Bajaj. A copy of PAN of Mr. Rahul Bajaj, promoter of Mukand Ltd showing his father's name is attached herewith as **Annexure – 1**.
- 1.2. Rajesh V. Shah (son of Late Shri Viren J. Shah) holding DIN 00033371 and PAN AADPS3254M who is one of the promoters and Co-Chairman and Managing Director

of Mukand Ltd., is not in any way connected with Rajesh V. Shah(HUF) referred to in the case relating to Crazy Infotech Ltd.;

- 1.3. Mr. Naresh Chandra Sharma, Independent Director of Mukand Ltd. is also at present Independent Director of PSL Limited, a listed company, whose name appears on the List Non-suit filed (Wilful Defaulters) as on 30th June, 2016. In terms of the Master Circular on Wilful Defaulters RBI/2014-15/73 issued by RBI dated 1st July, 2014, it has been clarified that in view of the limited role of non-promoter / non whole-time directors (Nominee and Independent directors) in the management of a company's debt contracts, their names shall now be excluded from the list of Wilful Defaulters subject to the terms of the RBI Circular. Thus in view of above mentioned master circular Mr. Naresh Chandra Sharma who is a non-promoter / non-whole-time (Independent) Director of PSL Limited, will be excluded from the category of willful defaulter. Copy of the said circular is attached herewith as **Annexure – 2**.
- 1.4. As regards name of Mr. Naresh Chandra Sharma, Independent Director of Mukand Ltd., appearing in the SEBI Action Taken Report relating to the case of Bank of Rajasthan Limited, it may be noted that AO after taking into consideration all the facts and circumstances of the case and material on record did not find it a fit case to impose any monetary penalty. The case is accordingly disposed of without imposition of any penalty. It may also be noted that Mr. Naresh Chandra Sharma is an Independent Director of Eskay K 'N' IT (INDIA) Ltd., a listed Company which has been referred to in the case of Bank of Rajasthan. Bank of Rajasthan is controlled by the Tayal group. Further, Eskay K 'N' IT (INDIA) Ltd. is also associated with Tayal group. Further, it may be noted that Mr. Sharma was neither a promoter /whole-time director nor involved in the management of affairs of Eskay K 'N' IT (INDIA) Ltd.
- 1.5. Mrs. Suman Jain (PAN ABVPJ9074H) who is one of the members of the promoter group of Mukand Ltd. is not the same person as i) Ms. Suman Jain of NCML Industries Ltd. whose name appears on the Non-suit filed (Wilful Defaulters) list of RBI and ii) Ms. Suman Jain of Asian Star Company whose name appears in SEBI Action Taken Report.
- 1.6. With respect to the name of Suman Jain appearing in the SEBI Action Taken Report in the case relating to GHCL Ltd., please note that SEBI vide its interim order dated 7th July, 2009 has modified its order and removed/vacated the restraint order against 33 promoter entities including Suman Jain after considering the facts circumstances and submissions made by the promoter entities. Copy of the SEBI Order dated 7th July, 2009 is enclosed herewith as **Annexure- 3**.
- 1.7. As regards SEBI Action Taken Report in respect of Jamnalal Sons Pvt. Ltd.(JSPL), a promoter group entity, please note that SEBI vide its order dated 28th August, 2008, has disposed off the case holding that the allegation made against JSPL are untenable and not established. Copy of the SEBI Order dated 28th August, 2008 is enclosed herewith as **Annexure- 4**.
- 1.8. As regards name of Mukand Engineers Ltd. appearing in the SCORES database, we have verified the matter with Mukand Engineers Ltd., who have clarified that the pending case relates to non-payment of dividend amounting to Rs. 30 /- in respect of 30 shares held by Mr. Rajeev Gupta for the financial year 2012-13. It may be noted that demand draft towards dividend amounting to Rs. 30/- has already been sent to the shareholder on 2nd March, 2017 and the Complaint has been resolved. Copy of the SEBI SCORES Action Taken Report showing the status of the Complaint as Resolved is enclosed herewith and marked as **Annexure- 5**. The dividend amount

had remained unpaid due to the death of the original shareholder Ms. Anjana Aggarwal and time taken for completion of transmission formalities in the name of the present shareholder Mr. Rajeev Gupta.

2. **Pre and Post shareholding pattern may be provided in the Word Format of Mukand Ltd., Mukand Vijayanagar Steel Ltd. and Mukand Alloy Steels Private Ltd. is attached;**

Reply :

Pre and Post shareholding pattern of Mukand Ltd., Mukand Vijayanagar Steel Ltd. and Mukand Alloy Steels Private Ltd. in word and pdf format is attached herewith and marked as **Annexure – 6A and 6B.**

3. **Clarification on what % of parent company is going to be transferred and what is going to remain back with the transferor.**

Reply:

It may be noted that prior to consummation of the Scheme, transferred undertaking contributed ~ 43.07% of networth of Mukand Limited as on 31st March, 2016 and ~ 54.97% of turnover of Mukand Limited for FY 15-16. Thus residual undertaking contributed ~ 56.93% of networth of Mukand Limited as on 31st March, 2016 and ~ 45.03% of turnover of Mukand Limited for FY 15-16. Please refer certificate from Sanjay & Snehal, Chartered Accountants attached herewith and marked as **Annexure – 7.**

It is further clarified that the ultimate transferee company, MASPL, will remain a wholly owned subsidiary of Mukand Ltd. and the networth of Mukand Ltd. pre and post Scheme on a constituted basis also is unchanged.

Hope, the above clarifies the issue and in case you require any additional information, document or details or clarification on any matter in this regard, we will be pleased to provide the same upon hearing from you.

Thanking You,

Yours faithfully,
For **Mukand Limited,**

Master Circular on Wilful Defaulters

RBI/2014-15/73

DBR.No.CID.BC.57/20.16.003/2014-15

July 1, 2014

(Updated up to January 07, 2015)

- i) All Scheduled Commercial Banks (excluding RRBs and LABs) and
- ii) All India Notified Financial Institutions

Dear Sir / Madam

Master Circular on Wilful Defaulters

RBI has been receiving references from banks and other agencies seeking clarification as well as posing certain issues concerning the various guidelines contained in the current Master Circular on Wilful Defaulters. These references have been examined and the Master Circular has been modified accordingly. [A copy of the same is attached.](#)

2. While quite a few of the modifications in the guidelines are definitional and clarificatory in nature, certain substantive changes have been made to bring in greater transparency and accountability in the due process required to be adopted for identification of Wilful Defaulters (paragraph 2.5(d) and 3). Further, in view of the limited role of non-promoter/non-whole time directors (Nominee and Independent directors) in the management of a company's debt contracts, their names shall now be excluded from the list of Wilful Defaulters, except in the rarest circumstances which also have been specified at paragraph 3 of the Master Circular.

3. The modifications to the Master Circular have been furnished separately in the [Annex](#).

Yours faithfully,

(Sudarshan Sen)

Chief General Manager-in-Charge

Annex**Modifications to Master Circular on 'Wilful Defaulters'**

(i) The meanings of terms 'Lender' and 'Unit' have been clarified at paragraph 2.1 as per the circular dated September 9, 2014 on Guidelines on Wilful Defaulters.

(ii) Paragraph 2.2.1(c) has been changed as below:

Transferring borrowed funds to the subsidiaries / Group companies or other corporates by whatever modalities

(iii) Paragraph 2.5(d) has been changed as below:

A covenant in the loan agreements with the companies in which the banks/FIs have significant stake, should be incorporated by the banks/FIs to the effect that the borrowing company should not induct on its board a person whose name appears in the list of Wilful Defaulters and that in case, such a person is found to be on its board, it would take expeditious and effective steps for removal of the person from its board. It would be imperative on the part of the banks and FIs to put in place a transparent mechanism for the entire process so that the penal provisions are not misused and the scope of such discretionary powers are kept to the barest minimum. It should also be ensured that a solitary or isolated instance is not made the basis for imposing the penal action.

(iv) Paragraph 2.6 on guarantees furnished by individuals, group companies and non-group companies have been modified as per the circular 'Guidelines on Wilful Defaulters – Clarification regarding Guarantor, Lender and Unit' dated September 9, 2014.

(v) Paragraph 3 on 'Grievances Redressal Mechanism' would now be titled 'Mechanism for identification of Wilful Defaulters' and read as below:

The transparent mechanism referred to in paragraph 2.5(d) above should generally include the following:

- a. The evidence of wilful default on the part of the borrowing company and its promoter/whole-time director at the relevant time should be examined by a Committee headed by an Executive Director and consisting of two other senior officers of the rank of GM/DGM.
- b. If the Committee concludes that an event of wilful default has occurred, it shall issue a Show Cause Notice to the concerned borrower and the promoter/whole-time director and call for their submissions and after considering their submissions issue an order recording the fact of wilful default and the reasons for the same. An opportunity should be given to the borrower and the promoter/whole-time director for a personal

hearing if the Committee feels such an opportunity is necessary.

- c. The Order of the Committee should be reviewed by another Committee headed by the Chairman / CEO and MD and consisting, in addition, of two independent directors of the Bank and the Order shall become final only after it is confirmed by the said Review Committee.
- d. As regard a non-promoter/non-whole time director, it should be kept in mind that Section 2(60) of the Companies Act, 2013 defines an officer who is in default to mean only the following categories of directors:
 - i. Whole-time director
 - ii. where there is no key managerial personnel, such director or directors as specified by the Board in this behalf and who has or have given his or their consent in writing to the Board to such specification, or all the directors, if no director is so specified;
 - iii. every director, in respect of a contravention of any of the provisions of this Act, who is aware of such contravention by virtue of the receipt by him of any proceedings of the Board or participation in such proceedings and who has not objected to the same, or where such contravention had taken place with his consent or connivance.

Therefore, except in very rare cases, a non-whole time director should not be considered as a wilful defaulter unless it is conclusively established that

I. he was aware of the fact of wilful default by the borrower by virtue of any proceedings recorded in the Minutes of the Board or a Committee of the Board and has not recorded his objection to the same in the Minutes, or,

II. the wilful default had taken place with his consent or connivance.

A similar process as detailed in sub paras (a) to (c) above should be followed when identifying a non-promoter/non-whole time director as a wilful defaulter.

(vi) Paragraph 5.1 on 'Need for ensuring Accuracy' with respect to reporting would read as below:

RBI / Credit Information Companies disseminate information on non-suit filed and suit filed accounts respectively of Wilful Defaulters, as reported to them by the banks / FIs and therefore, the responsibility for reporting correct information and also accuracy of facts and figures rests with the concerned banks and financial institutions.

(vii) Paragraph 5.2 has now been titled 'Position regarding guarantors' and contains instructions issued vide the circular dated September 9, 2014. Position regarding Independent and Nominee Directors has now been incorporated in paragraph 3.

(viii) Remark (e) against field 11 of Annex 1 is deleted as it is no longer required.

Master Circular on 'Wilful Defaulters'

Purpose:

To put in place a system to disseminate credit information pertaining to willful defaulters for cautioning banks and financial institutions so as to ensure that further bank finance is not made available to them.

Application:

To all scheduled commercial banks (excluding RRBs and LABs) and All India Notified Financial Institutions.

1. Introduction

Pursuant to the instructions of the Central Vigilance Commission for collection of information on wilful defaults of Rs.25 lakhs and above by RBI and dissemination to the reporting banks and FIs, a scheme was framed by RBI with effect from 1st April 1999 under which the banks and notified All India Financial Institutions were required to submit to RBI the details of the wilful defaulters. Wilful default broadly covered the following:

- a) Deliberate non-payment of the dues despite adequate cash flow and good network;
- b) Siphoning off of funds to the detriment of the defaulting unit;
- c) Assets financed either not been purchased or been sold and proceeds have been misutilised;
- d) Misrepresentation / falsification of records;
- e) Disposal / removal of securities without bank's knowledge;
- f) Fraudulent transactions by the borrower.

Accordingly, banks and FIs started reporting all cases of wilful defaults, which occurred or were detected after 31st March 1999 on a quarterly basis. It covered all non-performing borrowal accounts with outstandings (funded facilities and such non-funded facilities which are converted into funded facilities) aggregating Rs.25 lakhs and above identified as wilful default by a Committee of higher functionaries headed by the Executive Director and consisting of two GMs/DGMs. Banks/FIs were advised that they should examine all cases of wilful defaults of Rs 1.00 crore and above for filing of suits and also consider criminal action wherever instances of cheating/fraud by the defaulting borrowers were detected. In case of consortium/multiple lending, banks and FIs were advised that they report wilful defaults to other participating/financing banks also. Cases of wilful defaults at overseas branches are required to be reported if such disclosure is permitted under the laws of the host country.

2. Guidelines issued on wilful defaulters

Further, considering the concerns expressed over the persistence of wilful default in the financial system in the 8th Report of the Parliament's Standing Committee on Finance on Financial Institutions, the Reserve Bank of India, in consultation with the Government of India, constituted in May 2001 a Working Group on Wilful Defaulters (WGWD) under the Chairmanship of Shri S. S. Kohli, the then Chairman of the Indian Banks' Association, for examining some of the recommendations of the Committee. The Group submitted its report in November 2001. The recommendations of the WGWD were further examined by an In House Working Group constituted by the Reserve Bank. Accordingly, the Scheme was further revised by RBI on May 30, 2002.

The above scheme was in addition to the Scheme of Disclosure of Information on Defaulting Borrowers of banks and FIs introduced in April 1994, vide RBI Circular DBOD.No.BC/CIS/47/20.16.002/94 dated 23 April 1994.

2.1 Definition of wilful default

The term 'lender' appearing in the circular covers all banks/FIs to which any amount is due, provided it is arising on account of any banking transaction, including off balance sheet transactions such as derivatives, guarantee and Letter of Credit.

The term 'unit' appearing therein has to be taken to include individuals, juristic persons and all other forms of business enterprises, whether incorporated or not. In case of business enterprises (other than companies), banks/FIs may also report (in the Director column) the names of those persons who are in charge and responsible for the management of the affairs of the business enterprise.

The term "wilful default" has been redefined in supersession of the earlier definition as under:

A "wilful default" would be deemed to have occurred if any of the following events is noted:-

- (a) The unit has defaulted in meeting its payment / repayment obligations to the lender even when it has the capacity to honour the said obligations.
- (b) The unit has defaulted in meeting its payment / repayment obligations to the lender and has not utilised the finance from the lender for the specific purposes for which finance was availed of but has diverted the funds for other purposes.
- (c) The unit has defaulted in meeting its payment / repayment obligations to the lender and has siphoned off the funds so that the funds have not been utilised for the specific purpose for which finance was availed of, nor are the funds available with the unit in the form of other assets.
- (d) The unit has defaulted in meeting its payment / repayment obligations to the lender and has also disposed off or removed the movable fixed assets or immovable property given by him or it for the purpose of securing a term loan without the knowledge of the bank/lender.

2.2 Diversion and siphoning of funds

The terms "diversion of funds" and "siphoning of funds" should construe to mean the following:-

2.2.1 Diversion of funds, referred to at para 2.1(b) above, would be construed to include any one of the undernoted occurrences:

- (a) utilisation of short-term working capital funds for long-term purposes not in conformity with the terms of sanction;
- (b) deploying borrowed funds for purposes / activities or creation of assets other than those for which the loan was sanctioned;
- (c) transferring borrowed funds to the subsidiaries / Group companies or other corporates by whatever modalities;
- (d) routing of funds through any bank other than the lender bank or members of consortium without prior permission of the lender;
- (e) investment in other companies by way of acquiring equities / debt instruments without approval of lenders;
- (f) shortfall in deployment of funds vis-à-vis the amounts disbursed / drawn and the difference not being accounted for.

2.2.2 Siphoning of funds, referred to at para 2.1(c) above, should be construed to occur if any funds borrowed from banks / FIs are utilised for purposes un-related to the operations of the borrower, to the detriment of the financial health of the entity or of the lender. The decision as to whether a particular instance amounts to siphoning of funds would have to be a judgement of the lenders based on objective facts and circumstances of the case.

The identification of the wilful default should be made keeping in view the track record of the borrowers and should not be decided on the basis of isolated transactions/incidents. The default to be categorised as wilful must be intentional, deliberate and calculated.

2.3 Cut-off limits

While the penal measures indicated at para 2.5 below would normally be attracted by all the borrowers identified as wilful defaulters or the promoters involved in diversion / siphoning of funds, keeping in view the present limit of Rs. 25 lakh fixed by the Central Vigilance Commission for reporting of cases of wilful default by the banks/FIs to RBI, any wilful defaulter with an outstanding balance of Rs. 25 lakh or more, would attract the penal measures stipulated at para 2.5 below. This limit of Rs. 25 lakh may also be applied for the purpose of taking cognisance of the instances of 'siphoning' / 'diversion' of funds.

2.4 End-use of Funds

In cases of project financing, the banks / FIs seek to ensure end use of funds by, *inter alia*, obtaining certification from the Chartered Accountants for the purpose. In case of short-term corporate / clean loans, such an approach ought to be supplemented by 'due diligence' on the part of lenders themselves, and to the extent possible, such loans should be limited to only those borrowers whose integrity and reliability are above board. The banks and FIs, therefore, should not depend entirely on the certificates issued by the Chartered Accountants but strengthen their internal controls and the

credit risk management system to enhance the quality of their loan portfolio.

Needless to say, ensuring end-use of funds by the banks and the FIs should form a part of their loan policy document for which appropriate measures should be put in place. The following are some of the illustrative measures that could be taken by the lenders for monitoring and ensuring end-use of funds:

- (a) Meaningful scrutiny of quarterly progress reports / operating statements / balance sheets of the borrowers;
- (b) Regular inspection of borrowers' assets charged to the lenders as security;
- (c) Periodical scrutiny of borrowers' books of accounts and the no-lien accounts maintained with other banks;
- (d) Periodical visits to the assisted units;
- (e) System of periodical stock audit, in case of working capital finance;
- (f) Periodical comprehensive management audit of the 'Credit' function of the lenders, so as to identify the systemic-weaknesses in the credit-administration.

(It may be kept in mind that this list of measures is only illustrative and by no means exhaustive.)

2.5 Penal measures

In order to prevent the access to the capital markets by the wilful defaulters, a copy of the list of wilful defaulters (non-suit filed accounts) and list of wilful defaulters (suit filed accounts) are forwarded to SEBI by RBI and Credit Information Bureau (India) Ltd. (CIBIL) respectively.

The following measures should be initiated by the banks and FIs against the wilful defaulters identified as per the definition indicated at paragraph 2.1 above:

- a) No additional facilities should be granted by any bank / FI to the listed wilful defaulters. In addition, the entrepreneurs / promoters of companies where banks / FIs have identified siphoning / diversion of funds, misrepresentation, falsification of accounts and fraudulent transactions should be debarred from institutional finance from the scheduled commercial banks, Development Financial Institutions, Government owned NBFCs, investment institutions etc. for floating new ventures for a period of 5 years from the date the name of the wilful defaulter is published in the list of wilful defaulters by the RBI.
- b) The legal process, wherever warranted, against the borrowers / guarantors and foreclosure of recovery of dues should be initiated expeditiously. The lenders may initiate criminal proceedings against wilful defaulters, wherever necessary.
- c) Wherever possible, the banks and FIs should adopt a proactive approach for a change of management of the wilfully defaulting borrower unit.
- d) A covenant in the loan agreements with the companies in which the banks/FIs have significant stake, should be incorporated by the banks/FIs to the effect that the borrowing company should not induct on its board a person whose name appears in the list of Wilful Defaulters and that in case, such a person is found to be on its board, it would take expeditious and effective steps for removal of the person from its board. It would be imperative on the part of the banks and FIs to put in place a transparent mechanism for the entire process so that the penal provisions are not misused and the scope of such discretionary powers are kept to the barest minimum. It should also be ensured that a solitary or isolated instance is not made the basis for imposing the penal action.

2.6 Guarantees furnished by individuals, group companies & non-group companies

While dealing with wilful default of a single borrowing company in a Group, the banks /FIs should consider the track record of the individual company, with reference to its repayment performance to its lenders. However, in cases where guarantees furnished by the companies within the Group on behalf of the wilfully defaulting units are not honoured when invoked by the banks /FIs, such Group companies should also be reckoned as wilful defaulters.

In connection with the guarantors, banks have raised queries regarding inclusion of names of guarantors who are either individuals (not being directors of the company) or non-group corporates in the list of wilful defaulters. It is advised that in terms of Section 128 of the Indian Contract Act, 1872, the liability of the surety is co-extensive with that of the principal debtor unless it is otherwise provided by the contract. Therefore, when a default is made in making repayment by the principal debtor, the banker will be able to proceed against the guarantor/surety even without exhausting the remedies against the principal debtor. As such, where a banker has made a claim on the guarantor on account of the default made by the principal debtor, the liability of the guarantor is immediate. In case the said guarantor refuses to comply with the demand made by the creditor/banker, despite having sufficient means to make payment of the dues, such guarantor would also be treated as a wilful defaulter. It is clarified that this treatment of non-group corporate and individual guarantors would apply only prospectively and not to cases where guarantees were taken prior to this circular. Banks/FIs may ensure that this position is made known to all prospective guarantors at the time of accepting guarantees.

2.7 Role of auditors

In case any falsification of accounts on the part of the borrowers is observed by the banks / FIs, and if it is observed that the auditors were negligent or deficient in conducting the audit, they should lodge a formal complaint against the auditors of the borrowers with the Institute of Chartered Accountants of India (ICAI) to enable the ICAI to examine and fix accountability of the auditors. Pending disciplinary action by ICAI, the complaints may also be forwarded to the RBI (Department of Banking Supervision, Central Office) and IBA for records. IBA would circulate the names of the CA firms against whom many complaints have been received amongst all banks who should consider this aspect before assigning any work to them. RBI would also share such information with other financial sector regulators/Ministry of Corporate Affairs (MCA) / Comptroller and Auditor General (CAG).

With a view to monitoring the end-use of funds, if the lenders desire a specific certification from the borrowers' auditors regarding diversion / siphoning of funds by the borrower, the lender should award a separate mandate to the auditors for the purpose. To facilitate such certification by the auditors the banks and FIs will also need to ensure that appropriate covenants in the loan agreements are incorporated to enable award of such a mandate by the lenders to the borrowers / auditors.

In addition to the above, banks are advised that with a view to ensuring proper end-use of funds and preventing diversion/siphoning of funds by the borrowers, lenders could consider engaging their own auditors for such specific certification purpose without relying on certification given by borrower's auditors. However, this cannot substitute bank's basic minimum own diligence in the matter.

2.8 Role of Internal Audit / Inspection

The aspect of diversion of funds by the borrowers should be adequately looked into while conducting internal audit / inspection of their offices / branches and periodical reviews on cases of wilful defaults should be submitted to the Audit Committee of the bank.

2.9 Reporting to RBI / Credit Information Companies

(a) Banks/FIs should submit the list of suit-filed accounts of wilful defaulters of Rs.25 lakh and above as at end-March, June, September and December every year to a credit information company which has obtained certificate of registration from RBI in terms of Section 5 of the Credit Information Companies (Regulation) Act, 2005 and of which it is a member. Reserve Bank of India has, in exercise of the powers conferred by the Act and the Rules and Regulations framed thereunder, granted Certificate of Registration to (i) Experian Credit Information Company of India Private Limited, (ii) Equifax Credit Information Services Private Limited, (iii) CRIF High Mark Credit Information Services Private Limited and (iv) Credit Information Bureau (India) Limited (CIBIL) to commence/carry on the business of credit information. Credit Information Companies (CICs) have also been advised to disseminate the information pertaining to suit filed accounts of Wilful Defaulters on their respective websites.

(b) Banks / FIs should, however, submit the quarterly list of wilful defaulters where suits have not been filed only to RBI in the format given in Annex 1.

(c) In order to make the current system of banks/FIs reporting names of suit filed accounts and non-suit filed accounts of Wilful Defaulters and its availability to the banks by CICs / RBI as current as possible, banks / FIs are advised to forward data on wilful defaulters to the CICs/Reserve Bank at the earliest but not later than a month from the reporting date.

d) After examining the recommendations of the Committee to Recommend Data Format for Furnishing of Credit Information to Credit Information Companies (Chairman: Shri. Aditya Puri) it has been decided to implement the following measures with regard to reporting and dissemination of information on wilful defaulters:

- a. Banks/FIs may continue to furnish the data on wilful defaulters (non-suit filed accounts) of Rs. 25 lakhs and above for the quarter ending June 30, 2014 and September 30, 2014 to RBI in the existing format.
- b. In terms of Credit Information Companies (Regulation) Act, 2005, banks/FIs are advised to furnish the aforementioned data in respect of wilful defaulters (non-suit filed accounts) of Rs. 25 lakhs and above for the quarter ending December 31, 2014 to CICs and not to RBI. Thereafter, banks/FIs may continue to furnish data in respect of wilful defaulters to CICs on a monthly or a more frequent basis. This would enable such information to be available to the banks/FIs on a near real time basis.

Explanation

In this connection, it is clarified that banks need not report cases where

- (i) outstanding amount falls below Rs.25 lakh and
- (ii) in respect of cases where banks have agreed for a compromise settlement and the borrower has fully paid the compromised amount.

3. Mechanism for identification of Wilful Defaulters

The transparent mechanism referred to in paragraph 2.5(d) above should generally include the following:

(a) The evidence of wilful default on the part of the borrowing company and its promoter/whole-time director at the relevant time should be examined by a Committee headed by an Executive Director and consisting of two other senior officers of the rank of GM/DGM.

(b) If the Committee concludes that an event of wilful default has occurred, it shall issue a Show Cause Notice to the concerned borrower and the promoter/whole-time director and call for their submissions and after considering their submissions issue an order recording the fact of wilful default and the reasons for the same. An opportunity should be given to the borrower and the promoter/whole-time director for a personal hearing if the Committee feels such an opportunity is necessary.

(c) The Order of the Committee should be reviewed by another Committee headed by the Chairman / CEO and MD and consisting, in addition, of two independent directors of the Bank and the Order shall become final only after it is confirmed by the said Review Committee.

(d) As regard a non-promoter/non-whole time director, it should be kept in mind that Section 2(60) of the Companies Act, 2013 defines an officer who is in default to mean only the following categories of directors:

(i) Whole-time director

(ii) where there is no key managerial personnel, such director or directors as specified by the Board in this behalf and who has or have given his or their consent in writing to the Board to such specification, or all the directors, if no director is so specified;

(iii) every director, in respect of a contravention of any of the provisions of this Act, who is aware of such contravention by virtue of the receipt by him of any proceedings of the Board or participation in such proceedings and who has not objected to the same, or where such contravention had taken place with his consent or connivance.

Therefore, except in very rare cases, a non-whole time director should not be considered as a wilful defaulter unless it is conclusively established that

I. he was aware of the fact of wilful default by the borrower by virtue of any proceedings recorded in the Minutes of the Board or a Committee of the Board and has not recorded his objection to the same in the Minutes, or,

II. the wilful default had taken place with his consent or connivance.

A similar process as detailed in sub paras (a) to (c) above should be followed when identifying a non-promoter/non-whole time director as a wilful defaulter.

4. Criminal Action against Wilful Defaulters

4.1 J.P.C. Recommendations

Reserve Bank examined, the issues relating to restraining wilful defaults in consultation with the Standing Technical Advisory Committee on Financial Regulation in the context of the following recommendations of the JPC and in particular, on the need for initiating criminal action against concerned borrowers, viz.

a. It is essential that offences of breach of trust or cheating construed to have been committed in the case of loans should be clearly defined under the existing statutes governing the banks, providing for criminal action in all cases where the borrowers divert the funds with mala fide intentions.

b. It is essential that banks closely monitor the end-use of funds and obtain certificates from the borrowers certifying that the funds have been used for the purpose for which these were obtained.

c. Wrong certification should attract criminal action against the borrower.

4.2 Monitoring of End Use

Banks / FIs should closely monitor the end-use of funds and obtain certificates from borrowers certifying that the funds are utilised for the purpose for which they were obtained. In case of wrong certification by the borrowers, banks / FIs may consider appropriate legal proceedings, including criminal action wherever necessary, against the borrowers.

4.3 Criminal Action by Banks / FIs

It is essential to recognise that there is scope even under the existing legislations to initiate criminal action against wilful defaulters depending upon the facts and circumstances of the case under the provisions of Sections 403 and 415 of the Indian Penal Code (IPC) 1860. Banks / FIs are, therefore, advised to seriously and promptly consider initiating criminal action against wilful defaulters or wrong certification by borrowers, wherever considered necessary, based on the facts and circumstances of each case under the above provisions of the IPC to comply with our instructions and the recommendations of JPC.

It should also be ensured that the penal provisions are used effectively and determinedly but after careful consideration and due caution. Towards this end, banks / FIs are advised to put in place a transparent mechanism, with the approval

of their Board, for initiating criminal proceedings based on the facts of individual case.

5. Reporting

5.1 Need for Ensuring Accuracy

RBI / Credit Information Companies disseminate information on non-suit filed and suit filed accounts respectively of Wilful Defaulters, as reported to them by the banks / FIs and therefore, the responsibility for reporting correct information and also accuracy of facts and figures rests with the concerned banks and financial institutions.

5.2 Position regarding Guarantors

Banks/FIs may take due care to follow the provisions set out in paragraph 3 of the Master Circular on Wilful Defaulters dated July 1, 2014 in identifying and reporting instances of wilful default in respect of guarantors also. While reporting such names to RBI, banks/FIs may include "Guar" in brackets i.e. (Guar) against the name of the guarantor and report the same in the Director column.

5.3 Government Undertakings

In the case of Government undertakings, it should be ensured that the names of directors are not to be reported. Instead, a legend "Government of ----- undertaking" should be added.

5.4 Inclusion of Director Identification Number (DIN)

Ministry of Corporate Affairs had introduced the concept of a Director Identification Number (DIN) with the insertion of Sections 266A to 266G of Companies (Amendment) Act, 2006. In order to ensure that directors are correctly identified and in no case, persons whose names appear to be similar to the names of directors appearing in the list of wilful defaulters, are wrongfully denied credit facilities on such grounds, banks/FIs have been advised to include the Director Identification Number (DIN) as one of the fields in the data submitted by them to Reserve Bank of India / Credit Information Companies.

It is reiterated that while carrying out the credit appraisal, banks should verify as to whether the names of any of the directors of the companies appear in the list of defaulters/ wilful defaulters by way of reference to DIN/PAN etc. Further, in case of any doubt arising on account of identical names, banks should use independent sources for confirmation of the identity of directors rather than seeking declaration from the borrowing company.

**BEFORE THE SECURITIES AND EXCHANGE BOARD OF INDIA
CORAM: DR. K.M. ABRAHAM, WHOLE TIME MEMBER**

ORDER

**UNDER SECTION 11(4) OF SECURITIES AND EXCHANGE BOARD OF
INDIA ACT, 1992 IN THE MATTER OF GHCL LIMITED**

1. Securities and Exchange Board of India (hereinafter referred to as SEBI) received a complaint alleging that GHCL Limited (hereinafter referred to as GHCL) had been reporting false shareholding details of its promoters in its quarterly filing with the stock exchanges. Thereafter, an examination of the records of holdings of promoter entities of GHCL from the stock exchanges and Link Intime India Private Limited (the registrar of GHCL) was carried out to verify the authenticity of the disclosures made by GHCL. From the said examination, it was observed that the disclosures made by GHCL with respect to its promoters holding, across the four quarters of the year 2008, were at significant variance with the actual holdings of the promoters. The observed differences in the holding is as divergent as 17.65% being the actual and 40.30% being the disclosed holding for the quarter ended September, 2008 - a difference of more than 100%. As it appeared that GHCL had filed false shareholding of the promoters repeatedly over the four quarters of 2008, the said conduct of GHCL, its promoters and management were *prima facie* found to be in violation of Regulation 4(2)(f) and 4(2)(r) of the Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices Relating to Securities Market) Regulations, 2003 (hereinafter referred to as PFUTP Regulations). In view of the same, SEBI, vide an ad-interim ex-parte order dated April 20, 2009 *inter alia* directed the promoters of GHCL namely, Alankar Commercial Private Limited, Banjax Limited, Bharatpur Investment

Limited, Carefree Investment Company Limited, Chirawa Investment Limited, Dalmia Finance Limited, Divine Leasing & Finance Limited, Excellent Commercial Enterprises and Investment, Gems Commercial Company Limited, General Exports and Credits Limited, GTC Industries Limited, Harvatax Engineering & Processing Company Limited, Hexabond Limited, Hindustan Commercial Company Limited, Hotex Company Limited, International Resources Limited, Lakshmi Vishnu Investment Limited, Lhonak International Private Limited, Moderate Investment and Commercial Enterprises, Mourya Finance Limited, Nareshchandra Jain, Oval Investment Private Limited, Pashupatinath Commercial Private Limited, Ram Krishna Dalmia Foundation, Ricklunsford Trade and Industrial Investment, Sanjay Trading Investment Company Private Limited, Sikar Investment Company Limited, Sovereign Commercial Private Limited, Suman Jain, Swastik Commercial Private Limited, Trishul Commercial Private Limited, WGF Financial Services Limited and World Growth Fund Limited not to buy, sell or deal in the securities market until further orders. Further, GHCL was directed to reconcile and file the correct shareholding details with the stock exchanges. The aggrieved parties were advised that they may file their objections, if any, to the said order.

2. Pursuant to the aforesaid interim order, Alankar Commercial Private Limited, Banjax Limited, Bharatpur Investment Limited, Carefree Investment Company Limited, Chirawa Investment Limited, Dalmia Finance Limited, Divine Leasing & Finance Limited, General Exports and Credits Limited, GTC Industries Limited, Hexabond Limited, Hotex Company Limited, Lakshmi Vishnu Investment Limited, Mourya Finance Limited, Nareshchandra Jain, Pashupatinath Commercial Private Limited, Ram Krishna Dalmia Foundation, Ricklunsford Trade and Industrial Investment, Sanjay Trading Investment Company Private Limited, Sikar Investment Company Limited, Sovereign Commercial Private Limited, Suman Jain, Swastik Commercial Private Limited,

Trishul Commercial Private Limited, WGF Financial Services Limited and World Growth Fund Limited filed their objections to the said ad interim order, vide separate letters dated May 05, 2009. Thereafter, an opportunity of hearing was afforded to the aforesaid 25 entities/persons on May 22, 2009, when they were represented by Mr. P. N. Modi and Mr. Vinay Chauhan, Advocates, who made submissions on their behalf. Subsequently, a letter was received by SEBI on June 01, 2009 from Corporate Law Chambers (Advocates on behalf of the aforesaid 25 entities) providing details of sale/purchase made by Bharatpur Investment Limited, Dalmia Finance Limited and General Exports and Credits Limited.

3. Excellent Commercial Enterprises and Investment, Gems Commercial Company Limited, Harvatax Engineering & Processing Company Limited, Hindustan Commercial Company Limited, International Resources Limited, Lhonak International Private Limited, Moderate Investment and Commercial Enterprises and Oval Investment Private Limited filed their objections vide separate letters dated June 04, 2009 and sought for a personal hearing. Subsequently, vide separate letters dated June 10, 2009, the aforesaid entities *inter alia* requested that they be allowed to withdraw their request for personal hearing and to adopt the arguments/oral submissions made by the aforementioned 25 promoter entities made by them during the hearing on May 22, 2008. For the sake of convenience, the entities/persons mentioned in Paragraph 1 above shall hereinafter be collectively referred to as promoter entities.

4. In the meanwhile, the promoter entities filed appeals in Appeal Nos. 95 & 96 of 2009 before the Hon'ble Securities Appellate Tribunal against the ex-parte ad interim order dated April 20, 2009. The Hon'ble Securities Appellate Tribunal

disposed of the said appeals on June 29, 2009 with a direction to SEBI to pass an order on or before July 10, 2009.

5. I have examined the objections filed by the promoter entities, submissions made during the hearing held on May 22, 2009 and other material available on record. The only issue that requires consideration in this order is to see whether the interim directions issued vide order dated April 20, 2009 against the promoter entities need to continue or not. Though the promoter entities had filed separate submissions, the same are more or less similar in substance. The said submissions in brief, are as follows:

- a. That they had no role to play in the reporting of the shareholding done by GHCL to the stock exchanges. That they were not even aware of the shareholding disclosures made by GHCL to the stock exchanges.
- b. That no opportunity was afforded to clarify or explain the position with respect to the allegation regarding reporting of wrong shareholding before passing of the order.
- c. That the order does not justify the invocation of the provisions of the PFUTP Regulations.
- d. That the purported expression of desire of Al Rostamani Group of purchasing 25% of shares in GHCL and the said desire having failed to take shape had been wrongly understood as an intention on the part of the promoters to dilute their 25% shareholding in GHCL without there being any evidence of the same. That they had no role to play in the publication of the said news report (in the Economic Times on June 11, 2008).
- e. That they had not traded in the shares of GHCL between June 11, 2008 and June 18, 2008.

- f. That there was no variation between their shareholding as disclosed to the stock exchanges under Clause 35 of the Listing Agreement by GHCL and their shareholding as recorded in the Register of Members maintained by the share transfer and register of GHCL.
- g. That they requested that the ex-parte interim order be withdrawn.

6. As can be seen, for the quarter ended March 31, 2008, the number of shares held by the promoters as disclosed by GHCL was 4,70,73,557 whereas they had actually held 3,24,27,953, the difference being 14.64%. For the quarter ended June 30, 2008, the shares actually held by the promoters were 1,94,11,921, but the disclosed quantity to the stock exchange was 4,04,24,554 shares, a difference of 21.01%. Similarly, for the quarter ended September 30, 2008, the shares actually held by the promoters were 1,80,19,245, but the disclosed quantity by GHCL to the stock exchange was 4,03,11,856 shares, a difference of 22.28%. Likewise, for the quarter ended December 31, 2008, the number of shares held by the promoters as disclosed by GHCL was 3,83,27,618 whereas they actually held 1,87,42,935 shares, the difference being 18.74%. Thus, it is found that the disclosures made by GHCL across all the four quarters in the year 2008 in respect of its promoters holding are at noticeable variance with the actual holding by the promoters.

7. The promoter entities had submitted that they had no role to play in the reporting of the shareholding done by GHCL to the stock exchanges and that they were not even aware of the shareholding disclosures made by GHCL to the stock exchanges. It was further submitted that there was no variation between their shareholding as disclosed to the stock exchanges under Clause 35 of the Listing Agreement by GHCL and their shareholding as recorded in the Register of Members maintained by the share transfer agent & registrar of GHCL. Though, it may be so, the promoter group when taken as a whole

constitutes one single body for the purposes of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 and for other purposes.

8. It was further submitted by the promoter entities that the purported expression of desire of Al Rostamani Group of purchasing 25% of shares in GHCL and the said desire having failed to take shape had been wrongly understood as an intention on the part of the promoters to dilute their 25% shareholding in GHCL without there being any evidence of the same and that they had no role to play in the publication of the said news report which appeared in the Economic Times on June 11, 2008. In this regard, it must be noted that the interim order had taken only a *prima facie* view that the said report was a ploy of GHCL to inject positive news about it in the market in order to induce investment by the public.

9. Having considered the facts and circumstances and the submissions made by the promoter entities, I am of the view that the restraint order in respect of the said 33 promoter entities need not continue. The issues are left open, as a detailed investigation in the matter is on going.

10. In view of the foregoing, the interim directions issued vide ex-parte ad-interim order dated April 20, 2009 against Alankar Commercial Private Limited, Banjax Limited, Bharatpur Investment Limited, Carefree Investment Company Limited, Chirawa Investment Limited, Dalmia Finance Limited, Divine Leasing & Finance Limited, Excellent Commercial Enterprises and Investment, Gems Commercial Company Limited, General Exports and Credits Limited, GTC Industries Limited, Harvatax Engineering & Processing Company Limited, Hexabond Limited, Hindustan Commercial Company Limited, Hotex Company Limited, International Resources Limited, Lakshmi Vishnu Investment Limited,

Lhonak International Private Limited, Moderate Investment and Commercial Enterprises, Mourya Finance Limited, Nareshchandra Jain, Oval Investment Private Limited, Pashupatinath Commercial Private Limited, Ram Krishna Dalmia Foundation, Ricklunsford Trade and Industrial Investment, Sanjay Trading Investment Company Private Limited, Sikar Investment Company Limited, Sovereign Commercial Private Limited, Suman Jain, Swastik Commercial Private Limited, Trishul Commercial Private Limited, WGF Financial Services Limited and World Growth Fund Limited stands vacated.

11. This order shall come into force with immediate effect.

Mukand Limited (hereinafter referred as 'MKL' or 'Target Company') has its registered office at Bajaj Bhavan , Jamnalal Bajaj Marg , 226 , Nariman Point, Mumbai and its shares are listed in Bombay Stock Exchange Limited (hereinafter referred to as "BSE"), and National Stock Exchange of India Limited (hereinafter referred to as "NSE"). MKL came out with a Rights issue of 50,636,880 equity shares of Rs.10 each for cash at par , aggregating to Rs. 5,06,368,800 to the equity shareholders of MKL in the ratio of nine equity shares for every four equity shares held as on January 9, 2004. The total paid-up equity share capital of MKL prior to the rights issue of 50,608,849 equity shares was 22,505,280 equity shares of Rs. 10/- each, amounting to Rs.2,25,052,800/- and subsequent to the rights issue the total paid-up equity share capital of MKL became 7,31,14,129 equity shares amounting to Rs. 7,31,141,290/-.
2. M/s Jamnalal Sons Private Limited (hereinafter referred to as "acquirer"), belonging to the promoter group held 96,259 shares prior to the rights issue, therefore, the acquirer was entitled for 2,16,583 equity shares in the rights issue. However, due to renunciation by other companies belonging to the promoter group and the rights issue being undersubscribed , the acquirer applied for additional 20,028,890 equity shares and was allotted 33,51,975 shares. Consequently, the acquirer's holding pursuant to the rights issue rose from 96,259 equity shares constituting 0.43% of the pre rights issue share capital of MKL to 20,632,240 constituting 28.22% of the post rights issue share capital of MKL.

3. Subsequently, the acquirer vide letter dated 29.09.2006, filed a report in terms of Regulation 3(4) of SEBI (Substantial Acquisition of Shares and Takeovers), Regulations, 1997 (hereinafter referred to as SAST), in terms of Regulation 3(1)(b) to claim exemption from the applicability of Regulation 11(1) of SAST. It was observed that the acquirer had filed the report with a delay of 900 days and was alleged that the acquirer had not complied with the provisions of Regulation 3(4) of SAST.

APPOINTMENT OF AO:

4. Shri Amit Pradhan was appointed as Adjudicating Officer under Section 15 I of SEBI Act, 1992, read with Rule 3 of SEBI (Procedure For Holding Inquiry And Imposing Penalties By Adjudicating Officer) Rules, 1995 (hereinafter referred as 'Adjudication Rules') vide order dated March 13, 2007 to inquire into and adjudge under section 15A (a) of SEBI Act, 1992, the alleged violation of Regulation 3(4) of SAST by the acquirer. Pursuant to the transfer of Shri. Amit Pradhan to Northern Regional Office, I was appointed as Adjudicating Officer vide order of the Whole Time Member , dated June 12, 2007 and the proceedings thereof were conveyed vide communication dated July 19, 2007.

SHOW CAUSE, REPLY AND HEARING:

5. A Show Cause Notice (SCN) dated May 24, 2007 was issued to the acquirer under Rule 4(1) of Adjudication Rules, wherein it was stated that the acquirer had acquired 20,535,981 shares of MKL in the rights issue on 22.03.2004, constituting 27.78% of MKL's post rights issue equity share capital, thereby increasing its aggregate holding in MKL from 0.43% to 28.22% of its equity as under:

Acquirer	Prior to rights allotment		After rights allotment	
	Shares	%	Shares	%
Acquirer (Promoter)	96,259	0.43	20,632,240	28.22
Promoters(Other than Acquirer)	90,32,682	40.13	12,278,480	16.79
Total Promoters	91,28,941	40.56	32,910,720	45.01

It was also stated in the SCN that in terms of Regulation 3(4) of SAST, the report should have been filed within 21 days of the date of acquisition

alongwith all the supporting documents to SEBI. However, as the said report was filed by the acquirer with a delay of 900 days, therefore, it was alleged that non compliance with the aforementioned Regulation attracts penalty under Section 15A(a) of SEBI Act, 1992.

6. The acquirer vide letter dated 07.06.2007, inter alia, submitted that the total promoters holding pursuant to the rights issue increased only by 4.45% (i.e from 40.56% to 45.01%) which is within the creeping acquisition limit of 5% as stipulated under Regulation 11(1) of SAST. Therefore, the filing of the report under regulation 3(4) of SAST by the acquirer was not required.
7. In the interest of natural justice, a notice of inquiry dated 22.08.2007 was issued to the acquirer fixing the date of inquiry on 4.09.2007. Thereafter, the representative made written submissions vide letter dated 04-09-2007 stating ,inter-alia, that Regulation 3(4) stipulates that if holding of the acquirer together with persons acting in concert entitles the person to exercise 15% or more of the voting rights in a company then the report is required to be filed, since the acquirer (who also belongs to the promoter group) in concert with other promoter group have only acquired 4.45% of the total voting capital, therefore, filing of report in terms of Regulation 3(4) was not required. Further, it was also submitted that the proviso to regulation 3(1)(b) states that regulation 11 will not be attracted provided the acquisition is made by persons presently in control of the company and adequate disclosures to this effect have been made in the letter of offer. The acquirer also submitted that the report under Regulation 3(4) of SAST was submitted as a measure of abundant caution in compliance with SEBI's letter dated September 11, 2006.
8. The acquirer vide letter dated 04-09-2007, inter alia, cited the decision of Hon'ble Securities Appellate Tribunal in the matter of Rahul Holding(P) Limited , wherein it was held that as the stock exchanges as well as SEBI were informed of the acquisition , it could be said that acquisition was not of a material development in the economic life of the Target Company requiring immediate compliance with Regulation 3(4) and the lapse was a condonable one particularly because none of the factors outlined in Section 15-J of SEBI Act, 1992 were attracted.

CONSIDERATION OF ISSUES AND FINDINGS THEREOF:

9. In the instant matter I note that the acquirer’s individual holding rose from 0.43% to 28.22% subsequent to the acquisition of 20,535,981 equity shares of MKL in the rights issue. The acquirer belongs to the promoter group. The promoter group’s shareholding rose from 91,28,941 equity shares constituting 40.56% of pre-rights issue of total paid up equity capital of MKL to 32,910,720 constituting 45.01% of post-rights issue total paid up equity capital of MKL.

In this context, the relevant provisions of SAST are reproduced as under :

Applicability of the regulation.

(1) Nothing contained in regulations 10, 11 and 12 of these regulations shall apply to:

(a).....

(b) allotment pursuant to an application made by the shareholder for rights issue,

(i) to the extent of his entitlement; and

(ii) up to the percentage specified in regulation 11:

Provided that the limit mentioned in sub-clause (ii) will not apply to the acquisition by any person, presently in control of the company and who has in the rights letter of offer made disclosures that they intend to acquire additional shares beyond their entitlement, if the issue is undersubscribed:

Provided further that this exemption shall not be available in case the acquisition of securities results in the change of control of management;

Consolidation of holdings.

Regulation 11. (1): No acquirer who, together with persons acting in concert with him, has acquired, in accordance with the provisions of law, 15 per cent or more but less than 75 percent of the shares or voting rights in a company, shall acquire, either by himself or through or with persons acting in concert with him, additional shares or voting rights entitling him to exercise more than 5 per cent of the voting rights, in any financial year

ending on 31st March unless such acquirer makes a public announcement to acquire shares in accordance with the regulations.

Definition:

“acquirer” means any person who, directly or indirectly, acquires or agrees to acquire shares or voting rights in the target company, or acquires or agrees to acquire control over the target company, either by himself or with any person acting in concert with the acquirer.

Regulation 3(4): In respect of acquisitions under clauses (a), (b), (e) and (i) of sub-regulation (1), the acquirer shall, within 21 days of the date of acquisition, submit a report along with supporting documents to the Board giving all details in respect of acquisitions which (taken together with shares or voting rights, if any, held by him or by persons acting in concert with him) would entitle such person to exercise 15 per cent or more of the voting rights in a company.

10. Upon careful perusal of the above provisions of law, I find merit in the contentions of the acquirer that filing of the report in terms of Regulation 3(4) of SAST was not warranted as the addition of 4.45% in shareholding of promoters is within the creeping limit (i.e 5%) as specified under Regulation 11(1) and filing of the report in terms of Regulation 3(4) is warranted only when the acquirer together with persons acting in concert is entitled to exercise 15% or more of the voting rights in a company, since the acquirer in concert with other promoter group was already having more than 15% shares /voting rights of MKL ,therefore, filing of report in terms of Regulation 3(4) was not warranted. Further, the argument of the acquirer, that as per the proviso to regulation 3(1)(b), regulation 11 will not be attracted provided the acquisition is made by persons presently in control of the company and adequate disclosures to this effect have been made in the letter of offer, is also convincing.

11. I note that, at page number 9 of the Letter of Offer, it has been disclosed that the total promoter group’s holding as on January 12, 2004 (i.e prior to the rights issue) was 40.57%. Further, at page number 8 of the Letter of offer, it has been also disclosed that the promoters intend to acquire additional shares beyond their entitlement, if the issue is undersubscribed.

12. Further, upon careful examination of the definition of acquirer as provided under SAST, it is evident that acquisition of shares by the acquirer means acquisition by the acquirer along with other persons acting in concert. In the instant case, as the acquirer admittedly belongs to the promoter group, therefore, for determining the triggering of provisions of SAST, the acquisition made by the whole promoter group should be taken into consideration. I also note that the promoter group's total holding increased only by 4.45% (i.e from 40.56% to 45.01%) subsequent to the rights issue. This increase in the promoter group's holding is within the creeping acquisition limit (i.e 5%) as specified under Regulation 11(1) of SAST. Therefore, the question of claiming exemption by the acquirer from the applicability of Regulation 11(1) of SAST does not arise. Consequently, the question of filing of report by the acquirer, in the facts and circumstances of this case, does not arise. Thus, the allegation that the acquirer had filed the report with a delay of 900 days is untenable and the allegation against the acquirer does not stand established.

The matter is, accordingly, disposed of.

13. In terms of Rule 6 of the Adjudication Rules, copies of this order are sent to acquirer and also to Securities and Exchange Board of India.
