

Dated: 7th February 2011

TO WHOM IT MAY CONCERN

This is to certify that FATA Hunter India Pvt. Ltd. was awarded a contract by Bharat Aluminum Company Ltd., Korba, Chattisgarh, India for Supply, Erection, Testing and Commissioning of One No. Strip Caster package with Auxiliaries and One No. Cold Rolling Mill package including Roll Grinding Machine against Tender No. MEC/11/1546/51/01 and MEC/S/11/1546/51/02 both dated June 1997 respectively.

FATA Hunter India Pvt. Ltd., under Purchase Order No. 8P.001 dated October 20, 1998, awarded the work of Erection, Testing and Commissioning of the above Caster, Cold Rolling Mill and Roll Grinding Machine to Mukand Engineers Ltd.

It is certified that Mukand Engineers Ltd. successfully carried out the work under the supervision of FATA HUNTER, Italy and to the satisfaction of FATA HUNTER. Although, the original completion period was 19 months and 23 months respectively for commissioning of Strip caster & Cold Rolling Mill, the duration of work had to be extended due to intermittent stoppages of work for which Mukand Engineers Ltd. was not responsible. The contract was closed on completion of the entire work on 31st January 2004.

The scope of work of Mukand Engineers Ltd. included Port & Custom Clearance of Imported Equipments supplied by FATA Hunter, transportation of the equipments to site. Unloading, Storage, Erection, Commissioning and Performance Guarantee test. The Total Value of the Contract on Mukand Engineers Ltd was originally Indian Rupees 50 Million which was subsequently revised to close the contract amicably between both parties.
