WORK COMPLETION CERTIFICATE

CONTRACT AGREEMENT NO - TCM/AGT-943 DATED - 25/05/2007

At SMS - II, BOKARO STEEL PLANT, BOKARO.

SUBJECT: Unloading, Transportation, Assembly, Erection and Commissioning of 300 MT capacity of Converter Shell, Trunnion Ring, Bearing Pedestal and fabrication / erection of Heat shields around Converter.

The above contract was awarded to M/s MZTM, M/s Mont Blance & M/s MetalsRussia who have in turn awarded the work to M/S Mukand Engineers Ltd.

M/S Mukand Engineers Limited have executed the Assembly work and have also completed Dismantling of Old Converter, Erection and Commissioning of the subject items successfully within the stipulated time frame of 36 days shutdown under the supervision of experts of M/s MZTM.

The job of replacement of Converter of this huge capacity of 300 MT has been done for first time in India.

M/S Mukand Engineers Limited have done the excellent job. We wish them every success in all the future projects.
