

## Mukand Limited Signs PDA For 43.75 MW AC Group Captive Solar Plant With Tata Power Renewable Energy Limited

Tata Power Renewable Energy Limited (TPREL), a leading player in the renewable energy sector and a subsidiary of The Tata Power Company Limited, signed a Power Delivery Agreement (PDA) with Mukand Limited, a Bajaj Group company and a leading manufacturer of specialty steel long products and heavy machinery in India, for a 43.75 MW AC Group Captive Solar project. Located at Jamkhed in Maharashtra, the installation will generate 99.82 MUs annually and is expected to offset ~54687 CO2 emissions per year. The aim of the installation is to meet the growing energy requirements of Mukand Limited, and contribute to making their steel manufacturing processes and production greener.
